

Join us November 4, 2020 at 5:30 pm at the Spokane Club for an evening to end hunger and poverty in our community. Women Against Hunger will feature delicious gourmet fare by the American Culinary Federation Chefs de Cuisine of the Inland Northwest. This esteemed group of Chefs represent the finest in our region and will make this a night to remember. Also enjoy premier silent auction packages, a lively wine pull and the Annual VS Hunger award presentation.

WHO WE ARE

70% OF THE NATION'S POOR ARE WOMEN & CHILDREN -

with single mothers facing the highest risk. One in three single mothers struggle to feed herself and her children. In Spokane County one in five children live in households that struggle to put food on the table. Regardless of racial and ethnic background, women and girls living in the United States are more likely to experience hunger than men, and rates of hunger only increase for women and girls of color. These women also have more health conditions, are more likely to be uninsured or underinsured, and face violence at higher rates than men.

Join Spokane Valley Partners and further our mission and prevent hunger and poverty in our community.

HOW WE MOVE THE NEEDLE

HUNGER AND POVERTY ARE COMPLEX ISSUES

Many hardworking families in our area can barely make ends meet and 1 in 5 people in our community struggle to put food on their table. When people face hunger, they often struggle to meet other basic needs as well, such as housing, employment, and healthcare. That's why Spokane Valley Partners is committed to more than providing food for people in need. In addition to serving 10,000 people annually through our food bank, our Emergency Assistance program connects families with utility assistance, our regional clothing bank provides clothes, warm coats, and hygiene products, and The Inland Northwest Diaper Bank provides over 100,000 diapers to families all over Eastern Washington annually.

JOIN THE MOVEMENT to change lives and make a real impact. GIVE BACK to your community by helping those who need it most. INCREASE your brand exposure and elevate your corporate identity within the community.
