ABOUT SPOKANE VALLEY PARTNERS

When local families, vulnerable youth, and impoverished elderly face significant obstacles Spokane Valley Partners is here to provide a safety net for those in need. With roots of compassion dating back nearly 70 years, Spokane Valley Partners has grown to meet the needs of the community as the largest social services agency in Eastern Spokane County.

MISSION

Prevent hunger and poverty alongside great community partners.
Dear Friends,

I am reflecting upon our 2019 year while sitting in Phase Two of the COVID-19 Safe Start reopening plan. In the midst of COVID, as a nation we also refocused our attention on the important issue of equality and justice for each and every life within our communities, especially for people of color. The message of equality is near and dear to our hearts because the people that we champion are those who are the most marginalized. Although anyone can find themselves in need, poverty does discriminate; minorities, abused and neglected children, and single moms experience it disproportionally.

2020 has become a watershed year for our country. In light of this fact, I am extremely grateful for the support and partnership we received in 2019. Little did we know at the close of 2019 that we would be opening the door to such a pivotal and catastrophic year for our community. Thanks to all of you, we can celebrate together how you have positioned your safety net, Spokane Valley Partners, for such a time as this.

I hope you enjoy this look back at the wonderful response that our community provided through Spokane Valley Partners in 2019.

In the service of others,

Calvin B. Coblentz
Chief Executive Officer
Long term physical, mental and sexual abuse put Christine in a very dark place. She experienced post-traumatic stress syndrome, alcohol dependency, and even contemplated suicide. Through inpatient treatment Christine found help. In need of food and clothing she came to Spokane Valley Partners and it was here that she found hope. “The food and clothing bank really carried our family through,” said Christine. “For the first time in my life, I felt safe somewhere.” She began volunteering in 2019 and now works, part-time as Spokane Valley Partner’s receptionist, helping others seeking hope.

Her life experiences give Christine exceptional empathy for clients. “I have literally clawed my way out of poverty, and it was with the help of Spokane Valley Partners. Now I am gaining work experience and references. I want others to know there is light on the other side. I am living a beautiful life and I am living proof that it is possible. Spokane Valley Partners made the difference in getting here.”

“For the first time in my life, I felt safe somewhere.”
## 2019 Highlights

<table>

</tr>
</tbody>
</table>
Of the $3,736,710 in revenue, 13% was generated through cash donations, events and grants. An astonishing 84% was generated through in-kind sources. This reflects our credible community partnerships that allow us to execute this critical mission. While the majority of those in-kind donations support our food bank, 92,794 pounds of clothing as well as diapers were donated to support our other service lines. For our full financial report visit our website at www.svpard.org.

Some 2018 carryover revenue was expensed for 2019 programs.
HANDS OF HOPE

From sorting clothing to rescuing food and greeting clients each function is essential to our mission and operation. In one year, 450 volunteers contributed more than 19,000 hours of service to the Spokane Valley Partners. Without this tremendous contribution from dedicated individuals, businesses, schools and church groups our hungry neighbors would not receive the food they need.
2019 VOLUNTEERS

We appreciate the gifts each volunteer brings and recognize these individuals and groups that come back time and again. We are stronger for their many contributions.

Spokane Valley Partners relies on the generosity of our food donors to ensure that everyone in our community has the nutritious food they need, every day. Each year, over 95% of the food we distribute is donated to us. While most comes from our Partners Against Hunger, an important amount comes from in-kind champions hosting food drives.

**FOOD DONATIONS VALUED AT $100,000 & MORE**
